Mission Trip 2018

Any adults wanting to go to Southwest Good Samaritan Ministries located in South Texas for a mission trip? SWGSM is a refugee center dedicated to helping people come into the country as well as helping the poorest of the poor in their community in a variety of ways. I have taken groups there on several occasions and it has always been an eye opening event.

WOCC will again host a health fair this year. OBI will be here for blood donations, the Caring Van will give immunizations for children 18 months to 18 years, and Walgreens will give flu vaccines. There will be approximately 25 health/wellness organizations here to benefit our congregation and the surrounding community. You can help in promoting the health fair by telling friends and neighbors.
