Commission for Children, Youth, and Young Adults

Summer is fast approaching, the kids are already counting the days till school is out. As summer approaches, so does church camp. Registration is now open for church camp and I am excited to share that my Oklahoma Disciples Foundation grant application to help pay for church camp was approved.

Through this grant, scholarships are available to pay for kids to go to camp. We should be able to pay the entire camp fees for our WOCC campers this year. Church camp is going to be in person this year, with all the necessary precautions being made. Some camps are only going to be a day camp to keep kids safe. However, you can find more information on all of the camp programs at <https://okdisciples.org/connect/families-and-youth/>

Please talk to Rev. Julia or Daniel if you would like to send your child to camp this summer.
